The Request for Remailing of Decision on Appeal and Restart of Date for Response filed June 16, 2010 is not in the proper format of a formal petition. There is no evidence such as log book pages supporting the alledged lack of receipt of the Board of Patent Appeals and Interferences decision mailed May 11, 2010. The request can only be considered upon the submission of a formal petition accompanied by evidence confirming that the decision was not received.
